SOLID MAPLE

DRAWER SIDE LINEALS

PRODUCT OFFERING

Olon's Solid Maple drawer side lineals are a perfect grade for cabinetry with the strength, beauty and characteristics of domestic maple. These lineals are finished with a UV Cured Coating that is ultra clear, smooth and has an even sheen.

The program is available in 6 standard heights and lengths that can be combined to meet your building needs.

SPECIFICATIONS

- Thickness: 5/8"
- Height: 2 3/4", 3 3/8", 4", 6", 8", 10"
- Length: 18", 21", 24", 36", 48"
- Wood Grade: Number 1 Common (No.1C)

NOTABLE FEATURES

- Flat Top profile with eased radius edge
- 3-Side UV Cured Coating
- Drawer Bottom Groove: 7/16" from bottom, 1/4" wide, 1/4" deep

Available in pallet quantities.

Wood is a natural material and by its very nature may contain varying characteristics. Color variations can be expected in the Number 1 Common (No. 1C) Grade.

For more information on grading specifications, please refer to <http://ahec.org/hardwoods/pdfs/illustratedgradingguide.pdf>.
