

OLON®

Over 45 Years of North American Manufacturing

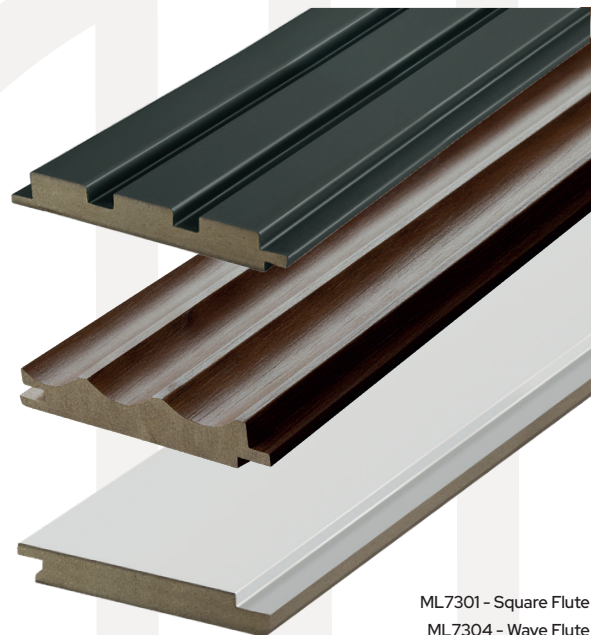

IT ALL COMES TOGETHER

WALL MOULDINGS

Olon wall mouldings enrich any vertical surface. When fit together in a vertical or horizontal pattern, they create a statement wall, kitchen island or other cabinets and furniture.

Create signature wall and furniture designs and enhance the beauty and originality of any project with Olon wall mouldings. Whether the look is traditional or modern, Olon wall mouldings are available in the best collection colours to allow designers to coordinate with VelourTouch® Ultra matte solid colours, our new UrbanTouch™ woodgrain collection or our NEXGEN® TFL woodgrain colours.
